Listed on the left are the ACTUAL electric bills sent to all the occupied studio apartments at Westview Forest Apartments in August, 2022. August, 2022, was the HOTTEST August on record in Houston, and yet the AVERAGE occupied studio electric bill for August, 2022, was \$39.11 (as can be seen at the bottom of the right-hand column). Note that many studio residents paid less than \$30 of electric in August, 2022. The reason for these incredibly low electric bills is that Westview Forest is the ONLY apartment community that has double-insulation in its new roofs, the AC's are super-efficient 14-SEER and the appliances are Energy-Star rated.

WHO ELSE IN HOUSTON PAID \$30 FOR THEIR APARTMENT ELECTRIC IN AUGUST, 2022?
